

Concept	EYFS			KS1		LKS2		UKS2	
	Pre-nursery	Nursery	Reception	Cycle A	Cycle B	Cycle A	Cycle B	Cycle A	Cycle B
Locational Knowledge	<ul style="list-style-type: none"> I am curious and interested in my immediate environment I am beginning to learn where things belong I am beginning to match things that go together 	<ul style="list-style-type: none"> I can talk about my home and the places I go to I can recall where objects belong I can match parts of objects that fit together I know some landmark buildings in the local environment and can talk about why they are important I ask and comment about where I live and the area around me 	<ul style="list-style-type: none"> I can talk about my home and the places I go to in the immediate environment I know that we live in England I know we have different landscapes in this country I know the landmark buildings in the local environment and can talk about why they are important I know what an island is 	<p><u>Do we like to be beside the seaside?</u></p> <ul style="list-style-type: none"> I can name the four countries that make up the UK I can name the three main seas that surround the UK I can name and locate the four capital cities of England, Wales, Scotland and Northern Ireland I can identify and name 3 landmarks from each capital city of the UK 		<p><u>Why do so many people choose to go to the Mediterranean for their holiday?</u></p> <ul style="list-style-type: none"> I can name and locate The Mediterranean Sea and some of the countries that border it, including Greece I can name and locate the capital cities of at least four European countries. I can identify the position and significance of the Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle 		<p><u>South America – Why has Brazil got one of the worlds fastest growing economies</u></p> <ul style="list-style-type: none"> I can locate countries in South American using maps, atlases and digital technology I can locate the capital cities of South America I can identify and locate some major physical features of South America 	
				<p><u>Would you rather live in England or Kenya?</u></p> <ul style="list-style-type: none"> I can name and locate the seven continents of the world I can name and locate the five oceans of the world 		<p><u>Why would you choose to live in Sheffield?</u></p> <ul style="list-style-type: none"> I can name and locate some counties of the United Kingdom including South Yorkshire I can name and locate some major cities of the United Kingdom including Sheffield I can identify and locate the Peak District National Park 		<p><u>Rainforests</u></p> <ul style="list-style-type: none"> I can locate the major rainforests of the world I can identify the position and significance of longitude (Equator, Tropic of Cancer and Tropic of Capricorn) 	
						<p><u>Mountains</u></p> <ul style="list-style-type: none"> I can name and locate the major mountain ranges of the world including the Urals in Russia I can locate key areas of higher ground in the UK. I can name and locate the highest mountains in England, Scotland, Wales and Northern Ireland 		<p><u>I'm a Rainbow Pupil get me out of here</u></p> <ul style="list-style-type: none"> I understand and can explain the position and significance of time zones (including day and night) I can identify the position and significance of latitude and longitude I can identify the position and significance of the Prime/Greenwich Meridian 	
						<p><u>Why are most of the world's cities located near a river?</u></p> <ul style="list-style-type: none"> I can name and locate the major rivers of the UK I can name and locate the major rivers of the world 			
Place Knowledge	<ul style="list-style-type: none"> I am curious and notice different buildings in the immediate area I can talk about what the weather is like today 	<ul style="list-style-type: none"> I use my knowledge or experience to compare buildings, foods, weather, animals and landscape I am starting to recognise different types of buildings, food, weather, animals and landscapes I can look closely at similarities, differences, patterns and change 	<ul style="list-style-type: none"> I know that some places are faraway and we can't walk there I know that different countries have different landscapes I can make inferences about locations using my previous knowledge 	<p><u>Would you rather live in England or Kenya?</u></p> <ul style="list-style-type: none"> I know that Kenya is a country in the continent of Africa I can locate Kenya on a map I can identify and name landmarks and features of Kenya I know that the climate in Kenya is different to England and why I know the main differences between Sheffield and the Maasai Mara reserve in Kenya (crops, wildlife, schools) 		<p><u>Why do so many people choose to go to the Mediterranean for their holiday?</u></p> <ul style="list-style-type: none"> I can identify and name landmarks and features of Greece I know the climate of Greece (and other Mediterranean countries) is different to England and why I know the main differences between Sheffield and Greece (climate, coast, food) 		<p><u>South America – Brazil</u></p> <ul style="list-style-type: none"> I know what Brazil is like as a country including its population and economy I can identify some major physical features of South America I know that the climate varies across different environmental regions within Brazil I can identify and describe Brazil's 6 ecosystems I understand and can explain the similarities and differences between Sheffield and Brazil 	
						<p><u>Why would you choose to live in Sheffield?</u></p> <ul style="list-style-type: none"> I can explain the geographical similarities and differences between Sheffield and the Peak District 		<p><u>Rainforests</u></p> <ul style="list-style-type: none"> I can describe the climate of a rainforest and link this to its location on the map. I understand what natural resources are found in the rainforests I can understand and describe the key human 	

					<p><u>Volcanoes and Earthquakes</u></p> <ul style="list-style-type: none"> I know where famous volcanic regions are located I know the names of famous volcanoes around the world <p><u>Why are most of the world's cities located near a river?</u></p> <ul style="list-style-type: none"> I know why many cities are located close to a river 	<p>features, including economic activity and distribution of natural resources</p>
<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Human and Physical Geography</p>	<ul style="list-style-type: none"> I can name features from the immediate environment e.g tree, house, school, field, shop, church I can talk about what I see in pictures and photos 	<ul style="list-style-type: none"> I notice differences and similarities between people I show an interest in different occupations I can use vocabulary (trees, rivers, beaches etc) in the correct context I can talk about what I've experienced or seen in photos 	<ul style="list-style-type: none"> I can create different play environments (beach, city, forest etc) in small world I can name features when playing in the small world e.g. trees, mountains, rivers, beach I can describe the natural landscape of a biome I know some features of the biomes (tundra, desert, forest, savannah, oceans) I can talk about the differences between a biome with an extreme climate and my own I understand that other countries have their own foods, significant buildings, traditional clothing and languages 	<p><u>Can a penguin live at the Equator?</u></p> <ul style="list-style-type: none"> I know the features of each season in the UK I can name and locate the seven continents of the world I can name and locate the five oceans of the world I know that the closer to the Equator the hotter it is and the further away the colder it is I can recognise main weather symbols 	<p><u>Why do so many people choose to go to the Mediterranean for their holiday?</u></p> <ul style="list-style-type: none"> I know which fruits and vegetables are produced in the Mediterranean and why they are exported to different countries I know why tourism is important to many Mediterranean countries (concentrating on Greece) I can tell you some of the main industries in Greece 	<p><u>South America – Brazil</u></p> <ul style="list-style-type: none"> I can recognise how physical and human characteristics can affect the lives and activities of people living in Brazil I can give an extended description of human features of Brazil.
				<p><u>Do we like to be by the Seaside?</u></p> <ul style="list-style-type: none"> I know the main differences between cities, towns and villages I can identify and name the following physical features: island, cliff and beach I recognise the features of a British seaside resort I can tell you some of the types of work that a seaside resort brings I know what a lighthouse is for and why some seaside resorts have lifeboat 	<p><u>Why would you choose to live in Sheffield?</u></p> <ul style="list-style-type: none"> I can tell you how land is used in Sheffield I know the key human geography characteristics of Sheffield I can describe the physical features of the Peak District National Park I can tell you how land is used in the Peak District I know the types of settlements that you will find in the Peak District I know the natural resources that you will find in the Peak District including energy, food, minerals and water 	
					<p><u>Mountains</u></p> <ul style="list-style-type: none"> I can explain how mountains are formed I can describe the key features of a mountain I know how mountains change over time I can describe a mountainous climate I understand how tourism affects mountainous regions I know why mountains are significant <p><u>Volcanoes and Earthquakes</u></p> <ul style="list-style-type: none"> I can understand and describe how volcanoes are formed I know the features of a volcano I can explain the impact a volcano has on the lives of people living close by I know what a Tsunami is and why they occur I know what causes an earthquake I know what an aftershock is 	<p><u>Rainforests</u></p> <ul style="list-style-type: none"> I can understand and describe key physical features of a rainforest I can tell you some of the species of animals in the rainforests that are endangered I can explain the effects that humans are having on the rainforest I can tell you about some indigenous people who live in the Amazon Rainforest

					<p><u>Why are most of the world's cities located near a river?</u></p> <ul style="list-style-type: none"> I can explain how a river is formed I can identify features of a river I can describe how the features of a river can change over time (erosion/deposition) I can explain why many cities are located close to a river I can explain the water cycle 	
<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Skills and Fieldwork</p>	<ul style="list-style-type: none"> I play with cars etc on a floor mat to show a particular type of environment I use small world/ construction to create an environment in my play 	<ul style="list-style-type: none"> I know that there are different countries I draw plans/ maps of my immediate environment I can use construction/ small world to create my own landscape I can pull information from a simple map 	<ul style="list-style-type: none"> I know there are many different countries in the world I know on a map that the sea is blue, the land is green and brown and snow is white I can create my own map of an imaginary place using a basic key I can ask questions about maps and globes I can name some hot and cold countries 	<p><u>Can a Penguin live at the Equator?</u></p> <ul style="list-style-type: none"> I know where the equator, North Pole and South Pole are on a globe I can use maps, atlases and globes to identify the UK and other countries, continents and oceans 	<p><u>Why do so many people choose to go to the Mediterranean for their holiday?</u></p> <ul style="list-style-type: none"> I can use maps and atlases to locate the countries of the Mediterranean I can use a globe to identify the position and significance of the Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle 	<p><u>I'm a Rainbow Pupil get me out of here</u></p> <ul style="list-style-type: none"> I can use the 8 points of the compass I can use and 4 and 6 grid references. I can use digital technologies to measure distances and record human and physical features in the local area. I can use OS maps to answer questions. I can recognise all key symbols used on ordnance survey maps. I can use maps, aerial photos, plans and web resources to describe what a locality might be like. I can create a scale plan of the local area.
				<p><u>Mapping the local area</u></p> <ul style="list-style-type: none"> I know which is N, E, S and W on a compass I can use compass directions to describe the location of a feature I can read a simple street map I can use left and right; below, next to describe the location of a feature or a route on a map I know my home address, including postcode I know the features of my immediate local area I can use aerial photographs to recognise features I can make my own simple map I can use simple symbols in a key 	<p><u>Why would you choose to live in Sheffield?</u></p> <ul style="list-style-type: none"> I can use maps and atlases to locate Sheffield and the surrounding cities I can use maps and atlases to locate South Yorkshire and other counties of England. I understand the symbols used in maps to identify physical and manmade features. 	
				<p><u>Mountains</u></p> <ul style="list-style-type: none"> I can use a maps, atlases and digital technologies to find famous mountains and ranges I can describe and sketch the features of a mountain (Castleton trip) 	<p><u>Volcanoes and Earthquakes</u></p> <ul style="list-style-type: none"> I can use a map/digital technologies to find famous volcanoes 	<p><u>South America – Brazil</u></p> <ul style="list-style-type: none"> I can use and 4 and 6 grid references.
					<p><u>Why are most of the world's cities located near a river?</u></p> <ul style="list-style-type: none"> I can use a maps, atlases and digital technologies to find famous rivers I can describe and sketch the features of a river – (Moorland Discovery trip)
