Vacancy for a Community Governor

Do you want to make a difference
in your community, and develop
your own professional skills?

By volunteering as a school
governor, you can do both.

Rainbow Forge Primary Academy
A L.E.A.D. Academy

You can help:

- the school with its **strategy**
- **analyse and support** the school's performance
- make sure the **school's budget is properly managed**
- help to create **strategic visions**

You need to have a desire to make a difference plus time, energy and commitment, the ability to work as part of a team and, most importantly, an interest in the future of our children. Anyone over the age of 18 can be a governor and you don't need to be a parent.

Governor training is important and is provided through L.E.A.D. All Governor appointments are subject to DBS (Disclosure and Barring Service) checks. Community Governors are recruited either directly by L.E.A.D. or by Individual Academies.

Please contact the school directly for an Expression of Interest form.
