

The Primary PE and sport premium

Planning, reporting and
evaluating website tool

Updated September 2024

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2025.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Ensure breaktimes are active times for all having a variety of equipment for all pupils.	Breaktimes are more active, children are more engaged and enjoy their time.	Next step is to further develop lunchtime provision using the Opal approach. Incl. scooters, and active games.
Children have 2 swimming sessions to ensure all children leave school able to swim 25m and with a good understanding of water safety.	Giving children swimming lessons over two years means that children are enjoying swimming more and becoming more confident.	This needs to continue.
Leadership time to ensure teaching is of the highest standard	Teachers are more confident in their teaching of PE and the leader is supporting their CPD.	Provide further opportunities to improve practice in this way. More CPD opportunities for staff and complete a questionnaire on their knowledge.
Further developing after school clubs to ensure a variety of activities.	After school clubs are aimed and accessed by a variety of pupils, engaging in physical activities.	Continue offering opportunities. Currently clubs have been taken off teachers and are TAs are being trained in areas of interest for them to run a club. Conduct a pupil voice survey to ensure we are meeting the children's needs.
Ensure children have access to the correct facilities and equipment to allow them to practice and then compete in a	Pupils have what they need to access the learning, including those with SEND having equipment that they can access.	New equipment has been ordered and used within PE lessons to ensure High Quality PE. Ensure equipment is being used effectively.

variety of sports including at the annual in school sports day.		
Use a sports partnership to provide the opportunity for all pupils to take part in a variety of sport.	Children will participate in a league, tournaments and friendly games against other schools	Further develop opportunities for more children to be involved in competitive events.

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Ensure breaktimes are active times for all by using the opal approach to having a variety of activities for all pupils.	Teaching staff, Teaching Assistants and Lunchtime supervisors - as they need to lead the activity pupils – as they will take part.	Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school. Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.	More pupils are meeting their daily physical activity goal, more pupils are encouraged to take part in PE and Sport Activities. Once the equipment has been bought it will be replenished from the budget.	£1000 costs for additional equipment to support lunchtime sessions.
CPD for teachers.	Primary generalist teachers. HLTAs PE leader – leadership time to observe lessons and give feedback.	Key Indicator 1: Increased confidence, knowledge, and skills of all staff in teaching PE and sport. Key indicator 5: Increased participation in competitive sport.	Primary teachers are more confident to deliver effective PE supporting pupils to undertake extra activities inside and outside of school, including teaching water safety and swimming and as a result improved % of pupil's attainment in PE.	£2000 for identified teachers to undertake CPD and to release the leader to conduct lesson observations and give feedback.

Ensure children have access to the correct facilities and equipment to allow them to practice and then compete in a variety of sports including at the annual in-school sports day.	Teachers PE Leader Pupils	Key indicator 5: Increased participation in competitive sport. Key indicator 2 -The engagement of all pupils in regular physical activity Key indicator 3 - The profile of PE and sport is raised across the school as a tool for whole school improvement	Pupils have increased opportunities to compete against children in school and inter school. One off cost for Netball kit. Other costs will be absorbed by the budget and voluntary contributions from parents.	£3500 on transport to ensure all children can take part. £1450 Forge Partnership £1000 on football and Netball kit £450 equipment for sport's day
Create After School Clubs that are dictated by the pupils interests to encourage participation in physical activities outside of PE lessons.	TAs & coaches to lead clubs Pupils – as they will take part	Key indicator 2 -The engagement of all pupils in regular physical activity Key indicator 5: Increased participation in competitive sport.	Pupils will attend well-led after-school clubs, with a variety of activities. Encouraging more pupils to take part in sport. Charges for sessions will be put into place, subsidised for Pupil Premium children from the Pupil Premium Grant.	£ 3000 cost of coaches. £ 1000 TAs
Ensure all children leave school able to swim 25m and with a good understanding of water safety	KS2 teachers and TAs Swim coaches	Key Indicator 1: Increased confidence, knowledge, and skills of all staff in teaching PE and sport. Key indicator 2 -The engagement of all pupils in regular physical activity	Giving children swimming lessons over two years means that children are enjoying swimming more and becoming more confident.	£3000

Key achievements 2024-2025

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	40%	<i>Pupils swim for 12 weeks in Y3 and again in Y4.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	44%	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	88%	<i>Use this text box to give further context behind the percentage.</i>
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No	<i>Staff attend yearly training prior to swimming sessions beginning. They are supported by the swimming coaches.</i>
